Campaign Spending: [List of Filers](#)

I am proud to be a fourth generation Windward O'ahu resident. Like so many in our community, I grew up playing AYSO and HYSA soccer at the district parks, fishing in Kane'ohe Bay, and surfing in Kailua.

As a student at Maryknoll I enjoyed volunteering as a youth leader. When I returned home from Whittier College I continued volunteering as a member of the Kane'ohe Neighborhood Board, Kane'ohe Bay Regional Council, Kane'ohe Lions Club, and American Cancer Society.

I also returned to Hawaii to find my true calling in public service. I completed my Judicial Administration degree at Hawaii Pacific University with an internship at the state capitol under Representative Kika Bukoski. I went on to become his Chief of Staff, Chief of Staff for Senator Bob Hogue, Executive Director of the Hawaii Republican Party, and Director of Minority Research in the state senate.

My community service record, years of experience at the state legislature, and desire to raise my family in the Windward O'ahu community that I am dedicated to allows residents to rest assured they are making a good choice by voting for me in the next election. I pledge my commitment to our community.

I welcome and encourage your comments, questions, and support. I am optimistic about what the future holds and I truly believe that as a community working together, we can continue to make Windward O'ahu and the state of Hawai'i a wonderful place we are proud to call home.
